YMCA Afterschool Program Coming to Blackwell Next Year!

Blackwell Elementary is excited to introduce a new after school childcare and enrichment program starting in September 2017! Blackwell has partnered with the YMCA to bring this after school programming to our school.

During the afterschool care program, students can also choose to attend enrichment classes. These enrichment classes include activities focused on physical activity, art, music, academics, design and creativity. The YMCA offers variety of classes to enrich student's after school experience.
